

# How to send a 2010 Power Point to ensure recipient can "View" file.

- 1) Locate the PowerPoint file from your system.
- 2) Upload the File in the secureVault

The screenshot displays the 'Secure Vault' interface. On the left is a dark blue sidebar with navigation options: 'New Email', 'Dashboard', 'Secure Package', 'Secure Vault', 'Secure Inbox', 'Contacts', 'Options', and 'Logout'. The main content area shows 'My Vault Files' with a table of files and folders. A red arrow points to the 'File Upload' option in a dropdown menu that appears after clicking the 'Upload' button. The table lists files like 'Test', 'VPN', 'htmlPayments', 'PDFPAYMENTS', and several downloaded images and PDFs.
